

Which instructional option is right for me?

Discover and compare the benefits of our different instructional options to find which one is right for you.

Teacher-Led Class

Home class teacher leads the workshop using our pre-recorded videos.

- Most affordable option starting from \$15 per student.
- Classes can be split into multiple short sessions to fit in any schedule.
- Great for out of town or remote communities.
- Additional discounts available.

Zoom Class

Our instructors teach the class live via Zoom.

- Live instructions class starting from \$18 per student.
- Option to split the workshop into two separate sessions allowing for extra carving time in between the sessions.
- Questions, short discussions and personal feedback.
- Great option for remote and out of town schools.
- Additional discounts available.

In Class Field Trip

Our instructor teaches the workshop in person at your school.

- In person workshop starting from \$23.80 per student.
- We bring everything to your door and set up! No school bus required.
- Longer instructional time.
- Individual attention given to each student.
- Best way to interact and share stories with the students.
- Option for ADD ON - Make a Habitat class.
- Teachers can relax and enjoy carving too.
