## Why choose an In Person Field Trip?

- We bring everything to your classroom and set up! You only need to provide a water source.
- Our expert carver introduces your students to soapstone and guides them personally each step of the way.
- Every student receives one on one attention, tips and feedback.
- We share stories and have valuable discussions along the way.
- We wax the sculptures and help you clean up.
- You are welcomed to carve and join in the fun!

What you need:

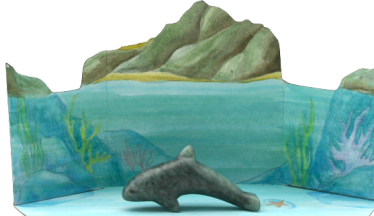

- Space for the workshop- large classroom, art room, outside space (weather permitting).
- Water source.

## ADD ON - Make a Habitat!

- Make a cool stand up cardboard habitat for your animal!
- Lead the activity yourself with provided instructions from us.

What you need:

- Pencils
- Crayons, pencil crayons or watercolour paint.
