- Please allow two weeks for delivery of your supplies.
- Minimum requirement for a single class is 20 participants or we will charge the equivalent. However when booking more than one class we can waive this minimum for all participating classes.
- If you have a mixed grade class, choose a program using your own discretion based on your students' skills and ability.
- Please choose only ONE or TWO (when applicable) shapes of the Animal Program according to your students' grade level.
- All supplies are packed in a bulk box. Individually packed - ready to distribute student kits in brown paper bags available for additional \$0.50 per participant.

## Length of classes

---

- **\*Animal programs through Zoom** - have your class in one session (90 or 120 minutes) or split it into two separate sessions (two 45 or 60 minutes). You can book your two separate sessions on a single day or two different days. Your students can use the time in between sessions to refine details on their sculptures.
- **Simple Shapes and Pendants through Zoom** - classes are taught in one session only!
- **Teacher-led with Resources** - all workshop times are suggested. Use as much time as you want and need.
